Abstract:

Lord prof PhD PhD Momtchil Dobrev-Halachev and Prof. Mariola Garibova-Dobrev developed 2006 "Theory and practice of mastering / colonization of a country/union of countries by neoliberal corporatist mobo-fascism" "Theory of degree of democracy" and "Theory of degree of justice/injustice/" based on their practice in court, prosecutor's office, state. Since 2003, Prof. Momchil Dobrev has been creating the Theory of Corruption, "Theory of the Mafia, "Theory of Mafiaism", "Financial Banking Resource Technological Mafiosoted Materialism" and based on their practice they prove that in Bulgaria there is rule of law and that the Mafia rules as the court , the prosecutor's office, the state in Bulgaria. Prince Lord Prof. Momchil Dobrev in connection with his fight with this mafia even after 10 attempts to kill him and his family since 2011, will continue to fight this mafia In 2006 Prof. Momchil Dobrev and Prof. Mariola Garibova - Dobrev create "Theory and Practice of Creating and Managing Fear". Prof. Momchil Dobrev and Prof. Mariola Garibova-Dobrev created 2006 and the scheme of the Tunnel Centrifuge Spiral 2010 "Financially banking resource-based technological mafia-driven materialism" as a based principle materialism since more than 17 century.08 "Theory of generating of crises " , 2010 "Theory and practice of the Mafiotismus" and 2001 "Theory of the mafia".

Key words: genocide, law, mafia, corruption, theory, finance.

Introduction

Lord prof PhD PhD Momtchil Dobrev-Halachev and Prof. Mariola Garibova-Dobrev developed 2006 "Theory and practice of mastering/colonizing a country/union of countries by neoliberal corporate mafia-fascism", "Theory of degree of democracy" and "Theory of degree of justice/injustice/" based on their practice in court, prosecutor's office, state and especially the practice of Prof. Mariola Garibova-Dobrev as a judge with tens of years of experience as such as a civil and criminal judge and Prof. Momchil Dobrev participated as an observer in various types of elections.. Prof. Momchil Dobrev created 2001 Theory of corruption and Theory of the Mafia and Theory and Practice of Mafiaism, which contribute to clearing the Theory of the degree of democracy.

The problem with the mafia and corruption in Bulgaria and in the European Union and the European Commission is huge. The takeover of the states by neoliberal corporate mafia-fascism has proven that their goals are only for the profits of this elite.

We have repeatedly provided evidence of the scale of this mafia. On the basis of this mafia and corruption in Bulgaria and the European Union and the European Commission Lord Prof. Momchil Dobrev created in 2001. "Theory of the Mafia" and "Theory of Corruption" in all its forms. Based on these theories, Lord Prof. Momchil Dobrev also defined a mafia formula, a corruption formula. Based on these processes, Lord Prof. Momchil Dobrev created the Theory and Practice of Mafiaism, defining the formula of Mafiaism,

how it works, how it is organized, in whose interests it works.

Corruption and the mafia in a country destroy democracy, freedoms, human rights, the rule of law. As a result for Prof. Momchil Dobrev and Lady Prof. Mariola Garibova-Dobrev also created "Theory of the Degree of Democracy" and "Theory of the Degree of Justice/Injustice" as well as "Theory of Socio-Humanism" - a society that excludes the disadvantages of neoliberalism, globalism, the wild market economy, and creates the foundations of a NEW HUMAN SOCIETY based on completely different principles, both economic and social, managerial and others.

Lord prof PhD PhD Momtchil Dobrev-Halachev and Prof. Mariola Garibova-Dobrev developed 2006 "Theory of degree of democracy" and "Theory of degree of justice/injustice/" based on their practice in court, prosecutor's office, state and especially the practice of Prof. Mariola Garibova-Dobrev as a judge for dozens of years experience as such as a civil and criminal judge and Prof. Momchil Dobrev participated as an observer of various types of elections.. Prof. Momchil Dobrev created 2001 Theory of Corruption and Theory of the Mafia and Theory and Practice of Mafiaism, which contribute to clearing the Theory of the degree of democracy .

In the year 2001 Lord Prof. Momtchil Dobrev developed the Theory of the mafia and Theory of corruption. All the two theories have been developed by analyzing the mafia and the corruption all over the world. In Bulgaria, Germany, European Union, and other countries. In the year 2010 Lord Prof. Momtchil Dobrev developed the "Theory of Mafiotismus" as a new type of government oriented only and only in the private interests of private individuals and private institutions.

The fight against the mafia and corruption in Bulgaria and in the European Commission and the European Union does not give results because the mafia is at the highest state and European level and does what it wants. This mafia holds the courts, the prosecutor's office and all kinds of government institutions and the latter carry out its orders. Even after the 10 attempts to kill Prince Lord Prof. Momchil Dobrev after 2011 for his fight against this mafia, the fight will not stop, as PROFESSOR ZIVKO STALEV says - "A STATE WITHOUT THE RULE OF LAW IS A FORM OF ORGANIZED CRIME!!" -

As a result of Lord Prof. Momchil Dobrev's fight against corruption and the mafia in Bulgaria and the European Union and the European Commission since 2011. Lord Prof. Momchil Dobrev survived 10 / ten / assassination attempts on him and his relatives.

3 /. THEORY AND PRACTICE OF STATE/UNION RULE OF STATES by the US Neoliberal Neofascist Masonic Deep Mafia.

3.1./. Systems for mastering countries/union of states as well as creating schemes to support this mastering

In 2006, Prince Lord Prof. Momchil Dobrev and Princess Lady Prof. Mariola Garibova-Dobrev created the theory and practice of mastering a country/union of countries - in this case the European Union, an example of a country like the Republic of Bulgaria.

The control of a country or union is carried out by people who manage the mafia and the oligarchy, the deep mafia, the deep state, people who own companies, corporations, members of Masonic lodges, of committees such as

Plans for mastering a country go through different options:

- Through war
- By conquering - militarily, by invasion, attack, aggression,
- Through counter-revolution - colorful counter-revolution - coup d'état and foreign rule, carried out by artificially creating political and economic instability, ruin and blackmailing society with open terror.
- By taking control of the state through politics and the political system through a peaceful coup
- By mastering – ECONOMIC for ELITE AREAS
- By mastering - USING and CREATING OCCASIONS to invade
- Through mastering – geopolitical for entire regions
- Through color revolutions, yellow revolutions, pink revolutions, with the participation of fifted NGOs by the Masonic network
- Through non-governmental organizations - peacefully growing into colorful revolutions
- Through newly formed parties, funding from the Masonic network, such as George Soros
- Through revolutions funding from the deep mafia
- Through schemes to control entire countries, for example the schemes of George Soros

- By mastering the finances of a country/union - the schemes of the World Bank and the International Monetary Fund.
- By imposing sanctions on third countries, but in reality economic partner countries are ruined in order to control their economy and their consumption and create a market for the goods and products of the country that imposes the sanctions
- By mastering the institutions of a union of states - on the example of the European Union
- By mastering the SOVEREIGNTY of a country
- By taking over the SOVEREIGNTY of a country through the EUROPEAN UNION
- By mastering the states THROUGH GLOBALIZATION and NEOLIBERALIZATION
- By dominating countries THROUGH CREATING INEQUALITIES in societies
- By taking over the countries THROUGH THE IMPORTATION OF MAFIOTISM into the respective countries
- By taking over the States THROUGH THE IMPORTATION OF CORRUPTION into the respective States
- By controlling countries and their economies and consumption THROUGH THE IMPOSITION OF ECONOMIC AND OTHER SANCTIONS
- By controlling the states by creating and causing social crises
- By taking over countries by creating and causing REFUGEE CRISES
- By taking over countries by creating and causing SOCIAL CRISES
- By mastering the countries by mastering THEIR HEALTH SYSTEMS
- By mastering the countries by mastering their EDUCATION, CULTURE, HEALTH SYSTEMS, VALUE SYSTEMS, SOCIAL SYSTEMS.
- By causing all kinds of CRISES – FINANCIAL, ECONOMIC, CURRENCY, ECONOMIC, SOCIAL, REFUGEE, IMMIGRANT,
- By devaluation of national currencies
- By mastering the countries by mastering their EDUCATION, CULTURE, HEALTH SYSTEMS, VALUE SYSTEMS, SOCIAL SYSTEMS.
- By causing all kinds of CRISES – FINANCIAL, ECONOMIC, CURRENCY, ECONOMIC, SOCIAL, REFUGEE, IMMIGRANT,
- By devaluation of national currencies
- THROUGH THE RULING/COLONIZATION OF COUNTRIES THROUGH SUPRA-NATIONAL INTERNATIONAL INSTITUTIONS THAT SERVE Neoliberal Mafiosoted Mafia-FASCISM - UN, World Health Organization,

- BY TAKING OVER COUNTRIES/ UNION OF COUNTRIES BY CAUSING PANDEMICS
- THROUGH THE MASTERY OF COUNTRIES by uncovering the memory, history, of the respective country.
- BY PUTTING TWO COUNTRIES AGAINST EACH OTHER
- BY CONFRONTING TWO COUNTRIES using all the techniques of CREATING A NON-EXISTENT NATION, NON-EXISTING PEOPLE, NON-EXISTING LANGUAGE, WRITING, HISTORY
- THROUGH CONFRONTATION OF TWO STATES by causing CONFLICTS on all levels, history, memory, language, writing, and others.
- THROUGH A CONFRONTATION OF TWO COUNTRIES - close by birth and homeland

As an example of a counter-revolution, we are talking about a total counter-revolution concerning dozens of countries, with which in the USSR and Eastern Europe the social system of socialism was replaced by capitalism / jungle / agency through the political police - the state services of the communist parties in these countries.

The main leader, the main leader of these processes and the choice of these options for mastering the countries, unions of countries - such as the European Union are the Masonic lodges with headquarters in France, Great Britain, the USA, Israel, Malta.

Instruments of these processes are people, individuals, previously recruited for other services such as those of the USA, Great Britain.

Here we will only mention the words of one instrument - Mr. Mikhail Gorbachev: "June 15, 1992 - "Everything I did with the Soviet Union, I did in the name of Moses. In the struggle of Zionism with Communism, Zionism died, and Communism died", 1992 - "The goal of my whole life was the destruction of Communism. When I personally got to know the West, I realized that I could not give up on the set goal. And to achieve it, he had to replace the entire leadership of the CPSU of the USSR and the leadership in all socialist countries."

Here we will describe the schemes for mastering a country / union / colonization as a complete system through the politician and the political system - the SO-CALLED SYSTEM "EXPORT OF DEMOCRACY - real fake democracy" managed by the mafia, the oligarchy, MAFIOTIZATION OF SOCIETY, and created on corruption schemes of all levels

This system follows the following stages of mastering a country/union of countries:

1/. Political control of the state - change of the system, / collapse of the old political order / for example socialism in the countries of Eastern Europe /. This happens peacefully, revolts, strikes, proclamation of the "principles of democracy" and "freedoms".

There are several strategies and tactics - peaceful - with civil protests, an extraordinary decision of the leading political party / in this case, for example, the Communist Party / to

change the leadership, through military uprisings, through revolutions - by military means.

Through political change of the political system, this is the first stage.

Next comes mastery of the economy, finances, social life and all spheres of public life in the respective country.

The mastery itself follows the creation of systems that support and support this mastery, create new principles, new regulations, adopt new laws to guarantee the mastery of the respective country and all spheres of public life in the respective country, create an environment, create new norms, of new systems, of new principles, a new value system, in the relevant areas of public life:

- Politics
 - The judicial system - court, prosecutor's office, investigation
- Private judicial execution / if any
- The economy
- Production
- Agriculture
- industry
- Consumption
- Education
- Healthcare
- A socialite

1.1/. Mastering the political system. Political parties,

1.2/. Mastering the judicial system. Mastering the court, Mastering the prosecution, Mastering the investigation. Mastering the private judicial execution

Control is achieved by appointing judges, prosecutors, and investigators close to the mafia as heads of the courts, of the prosecutor's office - the chief prosecutor and the heads of district prosecutor's offices, city and district prosecutor's offices.

Control of the judicial body - the Supreme Judicial Council

Control of the inspector to the judicial authority - the inspectorate to the Supreme Judicial Council

Control of the Constitutional Court, - appointment of constitutional judges, persons close to the party oligarchy who fulfilled orders of the mafia

Control of the courts through the president of the Supreme Court of Cassation, of the Courts of Appeal in Sofia, Plovdiv, Veliko Tarnovo, Varna and Burgas, control of the largest district court - Sofia City Court by appointing judges loyal and close to the mafia. Appointment of presidents of the courts close to the mafia and the oligarchy, who will unquestioningly carry out the orders of the mafia - to terminate cases, to lose cases against the mafia.

Mastering the system for appointing judges - ignoring, bypassing the electronic system for random selection, as vice presidents and vice presidents of their courts appoint a

specific judge for a specific case to fulfill the relevant order of the mafia and the oligarchy..

Mastering the system for appointing judges to cases in the Supreme Court of Cassation - by appointing close presidents of the Supreme Court of Cassation to people close to the mafia and, accordingly, vice presidents of separate civil, commercial and criminal courts, to appoint specific judges for specific cases, which I will carry out the order of the mafia,

Mastering the system for appointing judges for cases in the Supreme Administrative Court by appointing close presidents of the Supreme Administrative Court to people close to the mafia and, accordingly, vice presidents of separate civil, commercial and criminal courts, to appoint precisely defined judges for precisely defined cases, which I will carry out the order of the mafia.

Creation of administrative courts to protect and legalize crimes committed by ministers, officials of state agencies, state offices, ministries, against citizens, companies.

Creation of administrative courts to legalize repression, harassment, coercion carried out by the mafia through state institutions such as the National Revenue Agency, to convict honest citizens who do not succumb to the mafia.

Appointment as presidents of courts of mafia members, which courts will:

- They legalize the theft of private property by the mafia and the oligarchy
- Legalize stealing money from mafia banks
- They indicate non-compliance with the law by banks serving the mafia
- They legitimize non-compliance with the law by insurance companies serving the mafia

Legalization of

CREATION OF NEW NORMS in court, prosecutor's office, state

Enforcing the DOUBLE STANDARDS AND SCHEMES - THE NORM OF THE NEOLIBERAL NEO-FASCIST MAFIA OF LAWLESSNESS and GENOCIDE OF LAW among JUDGES

THE MAFIOTIZATION OF THE COURT SYSTEM OF BULGARIA and the support of this MAFIA by the European Union and the Commission and the USA with Presidents Obama, Trump, Joe Biden

3.2./ A BASIC TACTIC for STATE CONTROL in all spheres in a country, which GUARANTEES THE CONTROL OF A STATE or UNION OF STATES - by controlling the judicial system - COURT, PROSECUTOR, INVESTIGATORS, as well as the law enforcement system

THE FORMULA that guarantees control of a country or a confederation of countries - CONTROL OF THE JUDICIAL SYSTEM, CONTROL OF THE LEGISLATIVE SYSTEM, to pass laws in favor of mafia-fascism, to apply the laws in favor of the mafia, not to respect the laws, not to apply the laws to ordinary people citizens.

THE PRINCIPAL TACTIC to take over a country is GUARANTEED WHEN THE JUDICIAL SYSTEM IS TAKEN OVER - court, prosecutor's office, investigation by the mafia, by people of the mafia, by representatives and tools of the masonic networks of the intelligence services of foreign countries - of the USA, Great Britain

THE JUDGE OF SOFIA CITY COURT - Bulgaria VLADIMIR VALKOV / in a court session on a case in Sofia City Court:

- "Mr. DOBREV, BULGARIAN JUDGES ARE NOT RESPONSIBLE FOR THEIR JUDICIAL ACTS!!!!" after dozens of times he grinned in Momchil Dobrev's face, smugly, unscrupulously, with a sense of God.

Member of the Politburo of the Central Committee of the Bulgarian Communist Party 1990 - when asked what interests you about the New Constitution before accepting it, answer: "I am interested in the fact that the Prosecutor's Office does not change and does not hang on us for tens of years!"

Illuminati Financier: "GIVE ME CONTROL OF THE CENTRAL BANK OF A COUNTRY and I DON'T CARE WHO RULES THAT COUNTRY!"

MAFIA POLITICIAN Agent of State Security and Foreign Intelligence - USA and others: "GIVE ME THE OFFICE AND THE MANAGEMENT OF THE COURT AND PROSECUTOR IN ONE COUNTRY AND I WOULDN'T CARE WHO RULES AND I WILL LEGALIZE ANY CRIME!!

A political agent of the State Security of Bulgaria, of the Main Intelligence Directorate of the USSR, of the CIA-USA revealed and was guilty of the murder of dozens of counter-intelligence agents: "Give me control over the court and the prosecutor's office, and I don't care who rules." A politician who brags that he distributes all the money in the state, even if he does not run the state.

Soros created the foundation of the Open Society Foundation in the early 1980s in former socialist countries. This begins in his native Ugaria. It attracts dissident people, the opening of Hungary to the West accelerates the fall of the Burlinska wall.

14.. CONCLUSION

One should know the conclusions of the Lord prof PhD PhD Momtchil Dobrev-Halachev and Prof. Mariola Garibova-DObreva "Theory and practice of mastering/colonizing a country/union of countries by neoliberal corporate mafia-fascism", "Theory of degree of democracy" and "Theory of degree of justice/injustice/" and the ones created by Prof. Momtchil Dobrev created 2001 Theory of Corruption and Mafia Theory and Mafia Theory and Practice. The problem with the mafia and corruption in the WORLD, in the European Union and the European Commission is huge. The takeover of the states by neoliberal corporate mafia-fascism has proven that their goals are only for the profits of this elite.

We have repeatedly attached evidence of the scale of this mafia. On the basis of this mafia and corruption in Bulgaria

and the European Union and the European Commission Lord Prof. Momtchil Dobrev created in 2001. "Theory of the Mafia" and "Theory of Corruption" in all its forms. Based on these theories, Lord Prof. Momtchil Dobrev also defined a mafia formula, a corruption formula. Based on these processes, Lord Prof. Momtchil Dobrev created the Theory and Practice of Mafiaism, defining the formula of Mafiaism, how it works, how it is organized, in whose interests it works.

Corruption and the mafia in a country destroy democracy, freedoms, human rights, the rule of law. As a result lor. Prof. Momtchil Dobrev and Lady Prof. Mariola Garibova-Dobrev also created "Theory of the Degree of Democracy" and "Theory of the Degree of Justice/Injustice" as well as "Theory of Socio-Humanism" - a society that excludes the disadvantages of neoliberalism, globalism, the wild market economy, and creates the foundations of a NEW HUMAN SOCIETY based on completely different principles, both economic and social, managerial and others.

The fight against the mafia and corruption in Bulgaria and in the European Commission and the European Union does not give results because the mafia is at the highest state and European level and does what it wants. This mafia holds the courts, the prosecutor's office and all kinds of government institutions and the latter carry out its orders. Even after the 10 attempts to kill Prince Lord Prof. Momtchil Dobrev after 2011 for his fight against this mafia, the fight will not stop, as PROFESSOR ZIVKO STALEV says - "A STATE WITHOUT THE RULE OF LAW IS A FORM OF ORGANIZED CRIME!!" -

As a result of Lord Prof. Momtchil Dobrev's fight against corruption and the mafia in Bulgaria and the European Union and the European Commission since 2011. Lord Prof. Momtchil Dobrev survived 10 / ten / assassination attempts on him and his relatives.

Both the EUROPEAN UNION and the EUROPEAN COMMISSION have been notified of this mafia, BUT PERSONALLY THE CHANCELLORS OF GERMANY MERKEL and SCHOLZ, the president of France MACRON, and the prime ministers of Great Britain, when the core was part of the European Union, AS WELL AS PRESIDENTS OBAMA, TRUMP, and JOE BIDEN OF THE USA.

There was no reaction, no compliance with the LAWS of the EUROPEAN COMMUNITY treaty, which proves the support of this neoliberal neofascist deep mafia in Bulgaria from the USA and from the EUROPEAN UNION - and a commission chaired by Barroso, Jean Claude Juncker, Ursula von der Leyen. APPARENTLY THE USA AND THE EUROPEAN COMMISSION AND THE EUROPEAN UNION ARE INTERESTED IN THIS MAFIA AND THIS LAWLESSNESS in the Republic of Bulgaria.

THEREFORE THERE ARE SUMS SUBMITTED FOR DAMAGES CAUSED for over 250 BILLION EUROS.

As a result of 2011, there have been 10 / TEN/ ASSASSINATION ATTEMPTS OF Prof. Momtchil Dobrev by this mafia and creation of DIFFERENT OCCASIONS, FAKE protocols, fake meetings and fake documents.
